

# HIS PRESENCE

## It's Time to Worship

It's time to worship Father God  
That's what I love to do  
I sing and dance my praise to you  
In your presence by your throne

It's time to worship Jesus  
He is my bestest friend  
You walk and you talk with me  
Every day I listen to you

It's time to Worship Holy Spirit  
I feel His safe love close  
Holy spirit help me understand  
Give me power to walk each day

God you are so precious  
I give you all my praise  
Come close to me  
I come close to you  
I belong to you today.
